

## Super Abilities Music Program

For Kids, Teens and adults with developmental disabilities

We serve clients both as a direct vendor with the Regional Center and through the Self-Determination Program with FMS approval.

### Fun DJ Classes

Learn to mix, scratch, and spin like a pro with fun, hands-on DJ lessons! Perfect for beginners, these engaging sessions build confidence, creativity, and rhythm while exploring music in a supportive, social setting.

### Music Production Classes

Discover the art of music production in fun, beginner-friendly lessons! Learn to create beats, record, edit, and mix songs using digital tools, while building creativity, confidence, and technical skills in a supportive environment.

### Inclusive Music Classes

Join inclusive music classes designed for all abilities, offering fun, hands-on lessons! Build confidence, musical skills, and technical know-how while exploring your talents and creativity in a supportive, social setting.
